Chris and Bill,

Attached are some edits to the CEF for consideration. I have also copied Lori from our records center to enter the two pdf attachments into SEMS under WSSOU Remedial.

Lori,

I believe we would like these entered under Technical Documents.

Please let me know if there is anything else to do before noticing the public. I would like to get these posted on the web by COB Wed. March 6<sup>th</sup> if at all possible.

Thanks,
